

SANKALPA BANDYOPADHYAY

Enterprise Sales Director | Account Management & GTM Leader (Ex-Bharti Airtel, Zapcom) | $1.5M ARR Closed (125% Quota) | Telecom, BFSI, Fintech & API Platform Scale

Highly strategic, data-driven **Enterprise Cloud and Platform Sales Leader** with 12+ years of cross-functional experience driving technology adoption, large-scale account penetration, and transformational business outcomes across the BFSI and Fintech sectors in APAC and MENA. Proven track record commanding technical credibility to engage, negotiate, and establish long-term strategic relationships with C-level business and technology executives (CXOs, CTOs, CIOs). Granular understanding of the diverse technical architectures, regulatory environments (MAS, Central Banks), and operational nuances across **Retail/Corporate Banking, Insurance Providers, Wealth Tech, and high-growth Fintech** ecosystems. Adept at managing matrixed executive stakeholders, navigating complex procurement frameworks, and translating advanced architectures including Cloud Computing, GenAI, Agentic AI, and data infrastructure into high-impact financial value propositions.

CORE EXPERTISE

- **Strategic Account Farming & Expansion:** Maximizing wallet share within active enterprise accounts through data-driven lifecycle cross-selling and retention loops.
- **Partner & Alliance Management:** Building, enabling, and scaling co-sell networks with Global Systems Integrators (GSIs), ISVs, and platform integration partners.
- **Technical C-Suite Alignment:** Navigating complex, multi-stakeholder buying committees; partnering directly with CTOs, CIOs, and Engineering leads to clear InfoSec frameworks.
- **Cross-Border Regulatory Navigation:** Executing compliant platform positioning across multi-jurisdictional frameworks spanning India, Southeast Asia (APAC), and the UAE (MENA).
- **API & Platform Governance:** Deep understanding of automated data routing, API integration workflows, and enterprise platform architectures.

WORK EXPERIENCE

Director Sales

Zapcom Group Inc- ***A global tech and AI company driving digital growth across FinTech, Airlines, TravelTech, and Retail.***

10/2024-present

Tasks/Achievements

Lead global marketing & digital growth strategies across fintech, banking, and enterprise sectors, utilising AI-driven customer acquisition, marketing automation, and predictive analytics.

- **Ecosystem Co-Selling & Quota Mastery:** Delivered **125% of annual revenue targets ($1.5M ARR against a $1.2M target)** by leading complex, consultative sales cycles across APAC, MENA, and North American markets.
- Co-sold custom **API-first architectures to a marquee digital lender** in the MENA region, implementing automated real-time compliance communication triggers and data lakes that reduced **loan-processing friction by 35%.**
- **Channel Partner & ISV Network Scale:** Built and scaled a strategic co-selling framework alongside a leading global banking hardware/software enterprise (operating as an ISV/System Integrator partner) to accelerate market penetration and bypass traditional enterprise procurement blocks.
- **BFSI Architecture Deployment:** Partnered closely with partner technical implementation teams to deliver custom data/API layers into core infrastructures for a major private bank in the US and a prominent private sector bank in India, shortening deployment validation from 3 months to real-time activation.
- **Technical Product Alignment:** Advised product and engineering gatekeepers at a leading aviation distribution partner in MENA to align unified API communication arrays with legacy airline distribution systems (GDS), facilitating automated ticket validations for 100K+ daily transactions.

Enterprise Tech Sales Leader – Open Finance & API Marketplace

Mashreq Bank- ***It' s the oldest privately owned bank in the United Arab Emirates and one of the largest banks in the middle east.***
03/2021-10/2024

Tasks/Achievements

- **Commercial Metrics:** Managed a **$5M USD Annual Net-New Quota**, consistently delivering 108% over-attainment across a high-volume FSI portfolio.
- **API Infrastructure Monetization:** Led regional technology sales for **Mashreq's Developer API Hub**, selling transaction i**nfrastructure, secure webhook gateways**, and real-time processing suites (Payment Initiation, Credit/Debit Notification, IBAN Title Verification, and Virtual Account Management APIs) to external enterprise clients, fintechs, and regional banks.
- **E-commerce Integration & Account Farming:** Managed full-lifecycle account expansion across a **multi-merchant enterprise book**; consulted client systems engineers on the commercial adoption and platform integration of high-volume Real-Time **Credit-Debit Notification APIs and Payment Initiation APIs** to automate cross-platform billing notifications and optimize user journey flows.

Account Director

Turnkeyz Global- ***A bootstrapped media services and Ad Intelligence SaaS firm with clients across US, UK, AU and India.***
12/2018- 02/2021
Tasks/Achievements

- **Commercial Metrics:** Managed an active global mid-market and enterprise book with a $1M USD Target, delivering $1.4M USD in Attained Revenue (140% Quota Achievement) while maintaining an elite 95% account retention rate.
- **SaaS API Architecture Sales:** Pioneered the commercial expansion of a highly secure, cloud-based data intelligence platform, selling SaaS APIs for real-time competitor ad-tech data spying, analytics ingestion, and behavioral data streams to mid-market enterprise and neo-banking clients.
- **Technical C-Suite Advisory:** Served as the core strategic partner for tech-first enterprise accounts across the US, UK, APAC, and India, successfully presenting multi-year data infrastructure contracts to CIOs, CTOs, and Product Leaders.

Regional Manager Sales

Classklap Pvt Ltd- *An Ed-Tech organisation with personalised app based learning solutions and is funded by LGT Impact and Aspada.*
